

VALUES

Advanced Therapy Solutions was founded on and strives to exemplify the following values:

Exceptional customer service with a patient centered, solution driven approach.

Respect, culture, atmosphere, innovation, technology.

Team work, work ethic and camaraderie.

VISION

ATS exist to provide innovative and evidence based PT and OT solutions with engaging therapists and exceptional customer service.

Advanced Therapy Solutions' future is assured when we reach for the following:

- *Finding and delivering a therapy specific solution to each of our customers. We understand that this is a collaborative approach and value the process, the successful end result for each of our clients.*
- *Treating every customer at each of our clinics as if they were a family member.*
- *Being the outpatient therapy providers of choice because of unrivalled customer service, our unique and innovative treatment techniques and our close relationships with referral sources and the community in general.*
- *Collaborating and engaging in meaningful long term business relationships.*

EXTERNAL MISSION

"You will come as a patient and leave as a friend that spreads the word"

INTERNAL MISSION

We want to help you become a better therapist and grow as an individual by focusing on your strengths and help you to cultivate them. This will help you find balance in work and life, and become the ultimate member of our team.
